

*Lake Michigan States Section of the
Air & Waste Management Association
Presents:*

ALTERNATIVE ENERGY DEVELOPMENTS IN ILLINOIS, INDIANA AND WISCONSIN

NOVEMBER 17, 2006
DOUBLETREE HOTEL OAK BROOK
1909 SPRING ROAD
OAK BROOK, ILLINOIS

Join us for this morning program on Alternative Energy Developments in Illinois, Indiana and Wisconsin. This program will examine the business, regulatory and legal climate for alternative energy projects, and will highlight the current status of a variety of alternative energy activities, including biofuels (like ethanol), wind, solar, landfill gas, cogeneration, clean coal and other energy options.
