Notes:

- Mail or hand deliver all completed application forms to Chicago Department of Environment, 30 North LaSalle Street, Floor 25, Chicago, IL 60602.
- All applications must be received by Chicago Department of Environment by 4:00pm, November 3, 2006.
- Selected projects will be announced in December 2006.
- A signed contract with the City of Chicago will be required prior to the release of grant funds. This will include a requirement for the grantee to maintain the project for at least 5 years. The project must be completed within one year of receiving grant funds.
- To be eligible, buildings need to be within the Chicago city limits.
- Additional information, including drawings, may be requested from applicants.
- Chicago Department of Environment may request copies of energy bills for performance monitoring purposes and photographs of the project for archival purposes.
- Preference will be given to projects that are fully adhered and/or modular green roof systems.
- All decisions are final and are at the sole discretion of the City of Chicago.
